		Two copies of construction plans and specifications must be submitted by the applicant. Work may not start until a permit has been issued pursuant to approval of this application. Permits so issued shall not be construed as authority to alter or set aside any building code requirement, nor shall such issuance of a permit prevent the Building Official from thereafter requiring correction of errors in plans or in construction, or violations of building or zoning codes. Permits shall become invalid if work is not commenced within six (6) months after issuance, or work authorized by such permit is suspended, or abandoned for a period of six (6) months after work has commenced.  I hereby make application for a building permit for work noted herein and as described by submitted plans and specifications.
